

# PROJECT REFERENCE

DATA CENTER  
ELECTRICAL SYSTEMS/BUILDING SERVICES  
ENGINEERING

**Client:**

EUMETSAT  
European Organisation for the Exploitation  
of Meteorological Satellites  
Darmstadt

**Duration and Value:**

2009 – 2011  
Total construction value approx. 10 million €

**Tasks:**

- DC new build
- Specialist engineering and design of electrical systems

**Services:**

- HOAI phases 1 – 9 (without 4)
- Electrical systems; High voltage and low voltage

**Highlights:**

- Tier IV concept
